About Us

Nelux: Professional Lighting Solutions

At Nelux, we have been lighting up ideas and projects around the world for over 30 years. Since establishing our headquarters in Hong Kong in 2010, we have become a trusted partner in the design and supply of technical and decorative lighting solutions for hotels, restaurants, franchises, retail stores, museums, and other commercial spaces.

Our philosophy blends innovation, design, and functionality to deliver high-performance products that not only meet but exceed the expectations of our clients. We focus on two key areas:

A premium range of interior lighting with a 5-year warranty, perfect for projects requiring durability and aesthetic excellence.

A bespoke production service that allows for the creation of unique pieces tailored to the specific needs of each client and project.

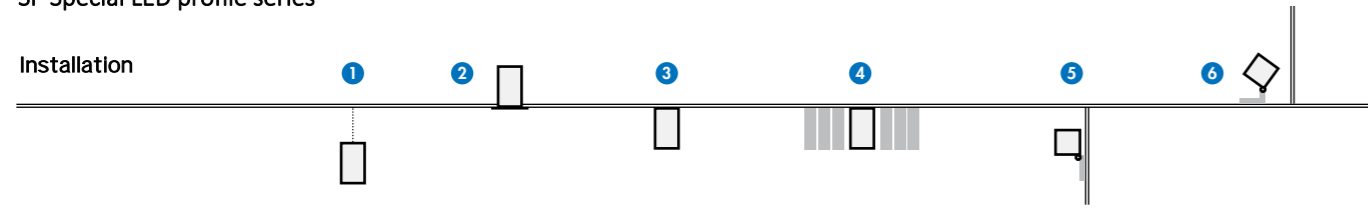

Our global market expertise, combined with an unwavering commitment to quality and competitive pricing, positions us as a leader in lighting solutions for large-scale projects. This catalog is a testament to our dedication and passion for illuminating every space with creativity and precision.
